# THE PRESIDENT'S MESSAGE

By Eric Hubbard

July 1999

Don't Throw that Away! This is the second time I've had to go dig through my junk box to find something I remembered finding that I must read about in "Ask Mark Parker". I wonder how much stuff I've left in the ground and dropped in a trash can that I shouldn't have. Don't forget this next meeting is 1 week early because of Thanksgiving, and its election month. We'll be making Final nominations this meeting & voting for next years officers. So everybody, **be there**, and remember it's like our Government. If you don't vote don't complain.

Club member, Bill Gladowski, has something to smile about. While driving through Heber City recently, he noticed the parking lot behind the old bank had been cut down. He was on that property with metal detector in hand in a flash! After receiving a big signal and digging for awhile he started retrieving pennies. All in all 48 coins came out of that hole! 6 Indian Heads and 42 pre 1925 Wheaties. Bill figures someone must have dropped a roll there at one time.
